

## Create a Legacy

### The Doug & Phyllis Empey Fund

Doug and Phyllis Empey operated a grain and beef operation in the Wapaha district. Phyllis was a great farm partner, delivering many meals to the field, as well as working as a school teacher at Wapaha. They had three children; their eldest son, Blair continues to farm at the home farm northwest of Boissevain. Their daughter, Heather, farms with her husband at Sanford. Their youngest, Mervin, works for Alberta Agriculture

at Stony Plain. In 1987 Doug and Phyllis retired to Boissevain, although were still active at the farm when needed.

They started their fund with the Boissevain & Morton Foundation in 1999. Each year they selected an organization that would benefit from their self-designated fund. The bequest is now given to St. Paul's United Church annually. Phyllis passed away in July of 2014. Doug now resides at Westview Lodge.

### Establishing a Named Memorial Fund

Through The Boissevain & Morton Foundation, you have an opportunity to make a lasting difference in your community and to help shape its future. The donation you make, whether received during your lifetime, or afterward through a bequest in your will or a life insurance policy or share transfers will be invested as permanently endowed funds to generate income for charitable purposes in the community, year after year.

## Youth in Philanthropy

Boissevain School's Youth in Philanthropy (YIP) program was established in 2006 by then Vice Principal, Colleen Sambrook-Adams. The group was started with the support of the Thomas Sill grant. The group consists of grade 10 to 12 students, who first agree on a list of values that are important to them, then choose and interview groups meeting their criteria and finally come to a consensus on where the money should go. YIP has remained strong throughout the pandemic and looks forward to making more personal connections with community groups. See inside for the list of grants awarded by YIP in 2021.
